Admission of Exchange Students

Forest Grove School district recognizes the value that students from foreign countries bring to the academic and cultural enrichment of a school. The Board of Directors believes the opportunities for international understanding and cooperation are served through a direct exchange of students. In order to maintain an effective, organized international exchange program in its schools, the Board reserves its discretion to review and approve all programs periodically, and further, directs the superintendent to develop appropriate regulations to administer the acceptance and operation of these programs.
