Superintendent

The superintendent is the public charter school's chief executive officer and has, under the Board's direction, general supervision of the public charter school, personnel and departments. The superintendent is responsible for managing the public charter school under the Board's policies and is accountable to the Board for that management.

The superintendent may delegate to other public charter school personnel any powers and duties imposed upon the superintendent by Board policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
