

Emergency Drills and Instruction

The superintendent will conduct emergency drills in accordance with the provisions of Oregon Revised Statutes.

The public charter school is required to instruct and drill students on emergency procedures so that students can respond to emergencies without confusion and panic. The emergency procedures shall include instruction and drills on fires, earthquakes, which shall include tsunami procedures in a tsunami hazard zone and safety threats. Instruction and drills on fires, earthquakes, safety threats and tsunami dangers for students, shall be conducted for at least 30 minutes each school month.

Fire Emergencies

The public charter school will conduct monthly fire drills. At least one fire drill will be held within the first 10 days of the school year. Drills and instruction on fire emergencies shall include routes and methods of exiting the school building.

Earthquake Emergencies

At least two drills on earthquakes shall be conducted each year.

Drills and instruction for earthquake emergencies shall include the earthquake emergency response procedure of “ drop, cover and hold on” during the earthquake. When based on the evaluation of specific engineering and structural issues related to a building, the public charter school may include additional response procedures for earthquake emergencies.

Safety Threats

At least two drills on safety threats shall be conducted each year.

Drills and instruction on safety threats shall include procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to student safety.

The Board may use Oregon Revised Statute (ORS 192.660(2)(k) to conduct an executive session to consider matters relating to school safety or a plan that responds to safety threats made toward the school.

Local units of government and state agencies associated with emergency procedures training and planning shall review the emergency procedures and assist the school with the instruction and the conducting of drills for students in these emergency procedures.
