

## Student Transportation Services

Public charter school transportation services will be provided for students to and from public charter school, to and from curricular and extracurricular activities sponsored by the public charter school and on public charter school-sponsored field trips that are extensions of classroom learning experiences. Transportation will be provided for homeless students to and from the student's school of origin<sup>1</sup> as required by the Every Student Succeeds Act of 2015 (ESSA). These services shall be provided throughout the regularly scheduled year and during the regular school day as determined by the public charter school board.

Elementary students in grades K-8 who live more than one mile from public charter school are eligible for transportation. Secondary students in grades 9-12 who live more than one and one-half miles from public charter school are eligible for transportation. Mileage exceptions for health, safety or disability will be made in accordance with the public charter school's approved supplemental plan.

Miles from public charter school will be determined by the administration in accordance with Oregon Administrative Rule (OAR) 581-023-0040(1)(e).

The public charter school may use Type 10 School Activity Vehicles to transport students from home to school, school to home and from public charter school-sponsored activities.

A seat that fully supports each person and meets the minimum standards and specifications of law will be provided at all times. A person who weighs 40 pounds or less must be properly secured with a child safety system that meets the minimum standards and specifications established by the Department of Transportation under Oregon Revised Statute (ORS) 815.055. A person over 40 pounds or who has reached the upper weight limit for the forward-facing car seat must use a booster seat until he/she is four feet nine inches tall or age eight and the adult belt properly fits.<sup>2</sup> A person who is taller than four feet nine inches or eight years of age or older must be properly secured with a safety belt or harness that meets the requirements under ORS 815.055. In accordance with ORS 811.210 and 811.215 vehicles in excess of 10,000 pounds used for student transportation are exempt from statutory requirements unless they have been equipped with lap belts. Vehicles in excess of 10,000 pounds that have been equipped with lap belts must meet child car seat requirements as set forth in law.

---

<sup>1</sup>"School of origin" means the school that a student attended when permanently housed or the school in which the student was last enrolled.

When the student has completed the final grade served by the school of origin, the term "school of origin" shall include the designated receiving school at the next grade level for all feeder schools.

<sup>2</sup>"Proper fit" means the lap belt of the safety belt or safety harness is positioned low across the thighs and the shoulder belt is positioned over the collarbone and away from the neck.

School buses carrying students will be considered extensions of the school experience. All students using public charter school transportation will abide by the code of conduct posted in each school bus or school activity vehicle. Violations of such code, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the school bus or vehicle driver to the transportation supervisor. The transportation supervisor will, as soon as possible, inform the appropriate public charter school administrator of such occurrence. Violators may be denied use of transportation for a period of time as deemed proper by the public charter school administrator and/or transportation supervisor.

The public charter school administrator or designee shall ensure transportation officials and drivers receive notification of students having special medical or behavioral protocols identified in student records.

Appropriate training related to specific protocols, including confidentiality requirements, will be provided to drivers.

Aides or assistants that ride a school bus shall receive training on emergency procedures and their role in the safe transportation of all students on the bus.

The public charter school bus or vehicle driver will be responsible for the school bus or vehicle at all times from departure until return. The driver will not participate in any activities that might impair his/her driving abilities.

The public charter school will comply with all state and federal laws and regulations pertaining to school bus transportation.
