

Student Conduct

The public charter school board expects student conduct to contribute to a productive learning climate. Students shall comply with the public charter school's rules, pursue the prescribed course of study, submit to the lawful authority of public charter school staff and conduct themselves in an orderly manner at the public charter school during the school day or during public charter school-sponsored activities.

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning climate. All staff members have responsibility for consistency in establishing and maintaining an appropriate behavioral atmosphere.

Students in violation of public charter school board policy, administrative regulation and/or code of conduct provisions will be subject to discipline up to and including expulsion. Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the public charter school and while off campus, whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of rights of others. Students may be denied participation in extracurricular activities. Titles and/or privileges available to or granted to students may also be denied and/or revoked (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, athletic team membership, etc.). A referral to law enforcement may also be made.

The public charter school will annually record and report expulsion data for conduct violations to the Oregon Department of Education.
