## Support Services Goals

Through support services operations, the district will set appropriate standards of safety; promote and protect the health of students and staff and support the efforts of staff to provide high quality instruction as follows:

1. Establish proper operation and maintenance of district buildings, vehicles, equipment and services;
2. Establish, through the superintendent and staff, procedures for managing buildings and grounds, office equipment, vehicles, supplies and the food program;
3. Establish a maintenance program, including preventive maintenance, that will ensure a maximum useful life of district property, vehicles, buildings and equipment;
4. Establish generally accepted management principles which comply with applicable laws and regulations.
