Emergency Procedures and Disaster Plans

The superintendent will develop and maintain a plan specifying procedures to be used in such emergencies as disorderly behavior, unlawful assembly, disturbances at school activities, natural disasters, fire, illness or injury of a student or staff member and use of force on school property. The superintendent will consult with city and other appropriate agencies while developing this plan.

The district's Emergency Procedures Plan will meet the standards of the State Board of Education.

Copies of the Emergency Procedures Plan will be available in every school office and other unit offices. Parents will be informed of the district's plan for the care of students during an emergency situation. Key administrators will also keep a copy of the plan at their residence.

The Board may use Oregon Revised Statute (ORS) 192.660(2)(k) to conduct an executive session to consider matters related to school safety or a plan that responds to safety threats made toward a school in the district.
