Energy Conservation and Resource Conservation

The district encourages and supports the prudent management of its energy resources and utility services, and believes that these should be managed with a focus on conservation as well as education. The district further believes that, to this end, it is the responsibility of each district employee and student to participate in energy and resource conservation whenever possible.

It is the responsibility of district administrators, by way of the direction of the superintendent's office, to implement, direct, monitor, evaluate and report district energy conservation efforts.
