Drug-Free Workplace

The district prohibits the unlawful manufacture, distribution, possession and/or use of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substances or alcohol as defined in schedules I through V of section 202 of the Controlled Substances Act (21U.S.C. § 812) and as further defined by regulation 21 C.F.R § 1308.11-1308.15 in the workplace.

“Workplace” is defined to mean the site for the performance of work done in connection with a federal grant or contract. That includes any school building or any school premises; any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school activities; off school property during any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district where work on a federal grant is performed.

No employee shall knowingly sell, market or distribute steroid or performance enhancing substances to kindergarten through grade 12 students with whom the employee has contact as part of the employee’s district duties; or knowingly endorse or suggest the use of such drugs.

As a condition of employment, employees must abide by this policy and inform the district within five days of any criminal drug conviction that occurred in the workplace.

The district shall establish and maintain a drug-free awareness program. This program shall include information about the impact of drug/alcohol abuse in the workplace and the availability of drug counseling services. Each employee shall also receive as part of the new employee orientation materials a copy of the district’s policy, information regarding the district’s employee assistance program and other available resources with regard to assistance with drug or alcohol abuse.

Violation of this policy may result in discipline up to and including dismissal or a requirement that the employee successfully complete a drug assistance or rehabilitation program.
