

Complaints Regarding Talented and Gifted Program

Since differences of opinion may arise regarding the appropriateness of programs and services provided for identified talented and gifted (TAG) students, the following procedure will be utilized when complaints arise:

1. The complaint will initially be reviewed by the district TAG program director;
2. If unresolved, the complaints will be reported to the superintendent or designee;
3. The complainant will be given the Talented and Gifted Standards Complaint Form which must be filled out before further consideration can be given to the complaint;
4. The superintendent or designee shall arrange for a review committee consisting of the TAG program director, a counselor and a school psychologist;
5. The review committee shall meet within five working days of receiving the written complaint and review all pertinent information. A recommendation will be submitted to the superintendent within 10 working days of receiving the original complaint;
6. The committee may recommend that:
 - a. The programs or services are appropriate;
 - b. The programs or services are not appropriate.
7. If the complainant is dissatisfied with the superintendent's findings and conclusion, the complainant may appeal the decision to the Board within five working days of receiving the superintendent's decision as outlined in administrative regulation KL-AR – Public Complaint Procedure;
8. The decision of the Board shall be final;
9. If the complainant remains dissatisfied, and has exhausted local procedures, or 90 or more days have elapsed since the original filing of a written complaint alleging violation of standards with the district, an appeal to the State Superintendent of Public Instruction can be filed.
