Evaluation of Alternative Education Programs

In accordance with OAR 581-022-1350, the district is required to evaluate alternative education programs annually. The following questions will be answered by the evaluation with required documentation delineated for each:

Staff

1. Have criminal records checks requirements been met?
 - * Evidence will include a list of individuals subject to criminal records checks and a copy of Form 2283 from the Oregon Department of Education for each such employee.

Curriculum

1. Are students receiving instruction in the state academic content standards to earn graduation credits?
 - * Evidence will include program overview, curriculum guide, course syllabi or other material demonstrating that program curriculum is aligned with state standards.
2. Are Oregon Statewide Assessments administered and the results reported annually to students, parents and the school district?
 - * Evidence will include a copy of summary report and sample of information reported to each student, parents and the district.
3. Are students receiving a report of academic progress at least annually?
 - * Evidence will include a copy of report used.

Discrimination

1. Does the program comply with nondiscrimination requirements of law, which means the program does not discriminate based on age, disability, national origin, race, marital status, religion, sex or sexual orientation?
 - * Evidence will include student enrollment/withdrawal summary based on above criteria.

Registration (Private alternative programs only)

1. Is the program registered with the Oregon Department of Education?

* Evidence will include a copy of registration application and approval.

Site Evaluation

1. Does the program comply with health and safety statutes and rules?

* Evidence will include a copy of appropriate documentation, including first aid and emergency procedures plan, staff/student handbooks, in-service agenda, fire marshal's report, safety inspection reports, etc.

Tuition and Fees

1. Does the program comply with Oregon Revised Statutes regarding tuition and fees (ORS 337.150, 339.141, 339.147, 339.155)?

* Evidence will include a list of any fees required and explanation for each.

Contract

1. The program complies with any statute, rule or school district policy specified in the contract with the public or private alternative education program.

* Evidence will include a contract comparison with existing ORS, OAR and district policy related to alternative education programs and a review of alternative program documentation previously sent to district.

2. Does the contract with the public or private alternative program state that noncompliance with a rule or statute may result in termination of the contract?

* Evidence will include a contract review.

Expenditures

1. Does the program comply with Oregon Revised Statutes regarding expenditures (ORS 336.635(2))?

• Evidence will include a review of annual financial statement and expenditures statement.
