Student Fund-Raising Activities

Individual schools are authorized to raise funds for supplementary supplies, capital outlay purchases and services that complement the regular school program, including co-curricular, but are not provided through the district budget. Fund-raising activities may be through parent/teacher organizations, school activity organizations or other groups that wish to meet the needs of students. Any fund-raising activity involving students, a school facility, school equipment or supplies, or using the name of the school or school district, must be approved in advance by the principal or designee.

It is important that the district administer fund-raising activities in such a way as to maintain an equitable balance of resources so that all district students have comparable educational opportunities.

To protect classroom learning time, principals shall ensure that to the maximum extent possible fund-raising activities are done by adults, and that student involvement during class time is minimal.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.

Door-to-door sales by students will be discouraged.
