Admission of Exchange Students

The district will accept exchange students from other international exchange programs endorsed by the Council on Standards for International Education Travel and approved by the superintendent or designee. Exchange students attending district schools through group-sponsored exchanged programs must obtain a J-1 Visa from the U.S. Department of Immigration and Naturalization Service which they must show upon registration. Approved group-sponsored exchange programs are those designated by the United States Information Agency and officially recognized by the Board. Exchange students on a J-1 Visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 Visa may be enrolled if an adult resident of the district has been given temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 Visa are required to pay tuition at the established district rate. F-1 student admission is limited to secondary schools, and attendance may not exceed 12 months.

Exchange students must comply with immunization requirements set forth in state law. Once admitted, exchange students become subject to all district policies and regulations governing students.
