Public Complaints

There is a process and procedure for complaints such as instruction, discipline, learning materials, retaliation against a student or a student's parent who in good faith reported information that the student believes is evidence of a violation of state and federal law, rule or regulation, or other matters related to the district's schools.

Community members, staff, parents and students who have a complaint are encouraged to start at the lowest level in the organization to attempt to resolve the complaint.

The following order will be used unless otherwise identified (see administrative regulation KL-AR - Public Complaint Procedure for specific procedures and timelines):

1. Teacher/Employee;
2. Principal;
3. District administrator;
4. Board.

Any complaint about school personnel other than the superintendent will be investigated by the administration before consideration and action by the Board. The Board will not hear charges against employees in a session open to the public, unless the employee requests an open session.

Complaints against the principal shall be filed with the superintendent.

Complaints against the superintendent shall be referred to the Board chair on behalf of the Board.

Complaints against the Board as a whole or against an individual Board member shall be made to the Board chair on behalf of the Board.

Complaints against the Board chair shall be made directly to the Board vice chair on behalf of the Board.

The superintendent will develop and administer the general complaint process, as appropriate.

No staff, student, parent or community member will be denied the right to petition the Board for redress of an issue, complaints will be referred through the proper administrative channels for resolution before investigation or action by the Board. Exceptions are complaints that concern the superintendent or involve Board actions or Board operations.

If a complaint alleges a violation of state standards or a violation of other statutory or administrative rule for which the State Superintendent of Public Instruction has appeal responsibilities, and the complaint is not resolved at the local level, the district will supply the complainant with appropriate information to file a direct appeal to the State Superintendent as outlined in Oregon Administrative Rules (OAR) 581-022-1940.
