## Gifts and Solicitations

Teachers and other employees will not accept items of material value from students. The Board considers as more welcome and more appropriate the writing of letters by students and/or parents to staff members expressing gratitude and appreciation.

Individual employees will refrain from giving gifts to staff members who exercise any direct or indirect administrative or supervisory jurisdiction over them. The collection of money for group gifts is discouraged except in special circumstances such as bereavement, serious illness or for retirement gifts. Staff-initiated "sunshine funds" are exempt from this policy.

Individual employees need to be accountable for maintaining integrity and avoid accepting anything of value offered by another for the purpose of influencing his/her professional judgment.

All employees are prohibited from accepting things of material value from companies or organizations doing business with the district.

No organization may solicit funds from staff members within the schools, nor may anyone distribute flyers or other materials related to fund drives through the schools without the superintendent's approval. Staff members may not be made responsible, or assume responsibility, for the collection of any money or distribution of any fund drive literature within the schools without the superintendent's approval.

The soliciting of staff by sales people, other staff or agents during on-duty hours is prohibited. Any solicitation should be reported at once to the building principal or supervisor. Advertising is not allowed in the building without the superintendent's approval.
