## Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by Glendale High School, Junior High School and Elementary School on the dates specified on the annual school calendar.

All students in good standing who have successfully completed the requirements for a school diploma, modified diploma, extended diploma or alternative certificate may participate in graduation exercises. Explanation for completing the appropriate right of passage requirements will be listed in the building handbook.
