

# Glide School District 12

Code: **EDD**  
Adopted: 5/08/95

## Resource Conservation

The district will make a concerted effort to conserve its resources. An act of good citizenship is the conservation of natural resources and energy. Therefore, staff and students will make resource conservation a part of the district's physical operation and educational program.

Resource conservation in the district will be implemented by:

1. Full utilization of materials prior to disposal;
2. Limited use of disposable materials;
3. Limited use of nonbiodegradable products.

The district will cooperate in the recycling efforts of the community. The superintendent will direct a districtwide system for recovery of waste and separating recyclable materials.

The district shall give preference to recycled materials if the materials are available, can meet applicable standards, and are comparable.
