

Glide School District 12

Code: **IMB**
Adopted: 6/24/02
Readopted: 12/15/08

Student Achievement Program

The Board recognizes that the key work of school boards is to establish and promote a clear vision of student achievement as the top priority of the district. Student achievement includes, but is not limited to, assessment results, student attendance, drop out rates.

The district's program will be consistent with Oregon Department of Education requirements and will be reflected in individual school and the district improvement plans.

The Board will, in striving for continuous improvement of student achievement, annually review district and individual school data on student achievement, prioritize, allocate and realign resources as necessary.

The director of special services and curriculum will develop administrative regulations as needed to implement this policy.
