

Glide School District 12

Code: **JC-AR**
Adopted: 6/09/03

School Attendance Areas

Toketee Boundaries

Boundaries for attendance areas are to be reestablished beginning in 2003-04. The boundaries will be reviewed every five years unless there is a significant increase in students which would lead to overcrowding in one or more schools.

Toketee students are those who live in the Slide Creek area to Diamond Lake Resort. Students from the Lemolo Lake area must be transported by parents to and from the bus stop on Highway 138. Parents will be reimbursed for mileage expense for transporting students to and from the bus stop.
