

## **Drugs, Alcoholic Beverages and Intoxicants**

It is the policy of Glide School District to eliminate drugs and alcohol from Glide School District premises. Furthermore, it is the policy of the district to eliminate the delivery of drugs and alcohol to a student or minor within 1,000 feet of district property. The district shall publish expectations and develop procedures to carry out this policy.

Each year the district shall include in the student/parent handbooks clear statements of expectations and consequences should a student use or be found in possession of drugs or alcohol on school premises. Students and parents shall be informed that delivery of a controlled substance or drug within 1,000 feet of school property is a violation of the criminal laws of the State of Oregon and anyone caught doing so will be referred to the police.

The district shall record incidents and report the findings to the Board in September of each year.

### **Use or Possession**

A student or other person shall not knowingly be under the influence, possess, use, transport, administer, or manufacture a controlled substance, drug, alcoholic beverage, intoxicant or any substance represented or promoted as a drug of any kind while present on school property, engaged in a school-related activity, or attending a school-related activity, either on or off the school property or while traveling to or from school or a school-sponsored activity or athletic event in any vehicle furnished by Glide School District for such travel.

### **Sale or Delivery**

A student or other person shall not sell, deliver, furnish or give away a drug, imitation drug, controlled substance, alcoholic beverage, or intoxicant of any kind while on school property, or within 1,000 feet of school property, engaged in a school-related activity or attending a school-related activity, either on or off school property, or while traveling to or from school or a school-sponsored activity or athletic event in any vehicle furnished by the school district for such travel.

### **Drug Paraphernalia**

A student or other person shall not possess, sell, deliver, or manufacture drug paraphernalia while on school property, engaged in a school-related activity, or attending a school-related activity.

## **Paging Devices**

A student shall not use or possess a paging device while on school property, engaged in a school-related activity, or attending a school-related activity unless the student has prior written permission from the principal or another school administrator, or is in attendance as a member of a volunteer police, fire fighting, or emergency medical service organization.

## **Confiscation**

Any controlled substance, drug, alcoholic beverage, intoxicant, drug paraphernalia, or drug device found on school property or in the possession of a student or person in violation of this policy shall be confiscated and held by district personnel. The Superintendent shall prepare a written procedure for staff outlining the steps to be taken in seizing and confiscating controlled substances, drugs, alcoholic beverages, intoxicants, drug paraphernalia, or paging devices.

## **Penalties**

Any student or person who engages in any of the prohibited conduct outlined above may be subject to the following:

1. A criminal or juvenile action if the violation is such that it warrants a referral to an appropriate agency;
2. Removal from school property or the area where the school-related activity is being conducted;
3. In the case of a student, disciplinary action up to and including expulsion, sanctions outlined in the Athletic Handbook, removal from any or all extracurricular activities, and/or forfeiture of any school honors or privileges.

## **Definitions**

The following definitions apply to this policy:

1. "Controlled substance" means a drug or its immediate precursor classified in Schedules 1 through 5 under the Federal Controlled Substances Act, 21 U.S.C. 811 to 812 as modified under ORS 475.005, and any amendments thereto. By way of example, but not limitation, a controlled substance includes: marijuana, including all parts of the plant, Cannabis family Moraceae, whether growing or not, the seeds thereof, the resin extracted from any part of said plant, and any compound, manufacture, salt derivative, mixture, or preparation of said plant, its seeds or resin, coca leaves, morphine, cocaine, LSD, hallucinogenic drugs, opium, heroin, amphetamines, methamphetamines, barbituates, derivatives thereof, or any other drugs having similar properties.
2. "Drug" means (a) a substance recognized as a drug in the official United States Pharmacopoeia, official Homeopathic Pharmacopoeia of the United States or official National Formulary, or any supplement to any of them; or (b) any substance intended for the use in the diagnosis, cure, mitigation, treatment or prevention of disease in humans or animals;

3. “Imitation drug” means a substance that is expressly or impliedly represented or promoted as having the properties or effects of a drug or controlled substance when in fact it is not a drug or controlled substance;
4. “Alcoholic beverages” means any beverage having an alcoholic content, with the exception of medicines lawfully and duly prescribed by a licensed physician. Alcoholic beverages shall include: beer, wine, whiskey, liquors, or any other beverage containing any alcohol content whatsoever, whether mixed or otherwise;
5. “Intoxicant” means any substance, including controlled substances and alcoholic beverages as defined above, which is toxic, corrosive, and irritant, a strong sensitizer, flammable, combustible, generates or is used to generate pressure, if such substance or mixture of substances may cause substantial personal injury or severe illness when induced by any means into the human body;
6. “Drug paraphernalia” means all equipment, products, and materials of any kind which are marketed for the use or designed for the use in manufacturing, compounding, converting, producing, processing, preparing, analyzing, packaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise inducing into the human body a drug or intoxicant;
7. “Paging device” means any telecommunication device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor.

### **Prescribed Medicines**

Nothing in this policy will prohibit a student from possessing or using medicines prescribed by a licensed physician specifically for that student’s use or in the case of nonprescription medicines, authorized in writing by a parent, or dispensed through the school nurse or student health center.
