## Visitors to the Schools\*\*

The Board encourages parents and other district citizens to visit the school and classrooms at any time to observe the work of students, teachers and other employees.

To assure that no unauthorized persons enter a school, all visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building.

Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Police may be called if the situation warrants such measures. A person who is present in unauthorized places or who refuses to leave when asked to do so by District personnel and/or designated authority may be charged with trespassing.

Students will not be permitted to bring visitors to school without prior approval of the principal.
