Cocurricular/Extracurricular Activities

Cocurricular/Extracurricular activities are comprised of the group of school-sponsored activities, under the guidance or supervision of qualified adults, designed to provide opportunities for students to participate in such experiences on an individual basis, in small groups or in large groups -- at school events, public events or a combination of these -- for purposes such as motivation, enjoyment and/or improvement of skills. Participation is usually not required and school credit usually will not be given.

All activities are considered a part of the educational program. The extent of these activities will be determined by student interests, faculty and school time and budget allowance.
