

**Grant County  
Education Service District**

Code: **IMA**  
Adopted: 9/22/09  
Readopted: 3/30/10

**Program Service Evaluation/Program Renewal**

The Board shall provide leadership and direction for the development of a program of periodic review of component district operations. In so doing, the Board and ESD staff will work cooperatively with component districts in the review process.

The component district operations to be reviewed shall include accounting, payroll, printing, transportation, legal services, investments, auditing, insurance and student records. Such review shall meet the timelines established by the State Board of Education. The ESD and its component districts may review such operations and services at any other time, as may be mutually agreed.

The superintendent shall submit plans to component districts with recommendations for program economies and efficiencies as may be identified.

The results of the review and plans shall be summarized and reported to the State Board of Education as part of the district's annual report no later than October 31 of each year.

The superintendent will develop administrative regulations as may be needed to implement this policy including a recommended schedule for future review of component district operations that meets timelines established by the State Board of Education.
