Executive Sessions

Executive sessions may be held during a regular, special or emergency meeting for any reason permitted by law. Final action on an item discussed in executive session will be accomplished in open session, except for the expulsion of minor students.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.610 - 192.690 for holding such session, and by noting that the subject of the executive session will be undisclosed under ORS 192.660 (3).

Members of the press may attend executive sessions except for those pertaining to: deliberations with persons designated by the Board to carry on labor negotiations; hearings on the expulsion of minor students from district schools; examination of the protected health information of a student, including that student's educational program; and current litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation. Attendance is contingent upon acceptance of rules governing disclosure of information announced by the presiding officer at the beginning of the executive session.

An executive session may be convened by the chairman, upon request of three Board members or by common consent of the Board for a purpose authorized under ORS 192.660.

The minutes of an executive session held under ORS 332.061 (appeal of expulsion of a minor student from public school) will exclude the following: the name of the minor student; the issue; the discussion; and each Board member's vote on the issue.

All executive session minutes shall be kept in written form. Content discussed in executive sessions is confidential.
