Budget Priorities

The Board and the superintendent are responsible for preparing an educational plan for the following year. When this plan is completed, it will be submitted to the total budget committee for review and final preparation of estimates.

It is the duty of the Board in preparation of the educational plan:

1. To plan with the education and welfare of students as the major goal;
2. To determine salaries and wages of employees according to procedures established by law;
3. To establish fiscal policies for the district to verify that goals are implemented;
4. To establish programs and priorities when funds are not sufficient;
5. To establish staffing and student load limits;
6. To work with members of the budget committee in determining necessary budgetary expenditures to accomplish the educational plan.
