Code: **IIABB**
Adopted: 8/23/11
Orig. Code(s): None

Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. Administrative regulations will be developed to accomplish this objective. Administrative approval must be obtained before a feature film is shown at any grade level.
