Specifically, the Board seeks to advance goals which:

3. Ensure that the constitutional rights of all students as citizens in a democracy have practical meaning and application;
4. Develop, in students, a sense of personal responsibility for their actions;
5. Assure student safety, health and welfare;
6. Deal justly and constructively with all students in matters of discipline;
7. Help all students feel that they are valued as individual persons in the school environment.
