Admission of Exchange Students

In the interest of furthering better understanding and improving human relations among district students and youth from all parts of the world, the Board encourages the high school to participate in student foreign exchange programs.

Exchange students must meet the regulations and expectations of local students, including the immunization requirements.

An honorary high school diploma will be awarded to all foreign exchange students provided they have attended Grants Pass High School for a full school year, have met district policies and regulations governing student conduct and have satisfactorily completed all course work.

Exchange students will be encouraged to participate in all student activities and will be eligible to participate in interscholastic athletics, provided academic requirements and Oregon School Activities Association criteria are met.

The Board directs the superintendent, in cooperation with the high school principal, to develop administrative regulations to implement this policy.

Privately sponsored exchange students on an F-1 Visa may only attend secondary schools within the district and are required to pay tuition at the established district rate. The period of attendance may not exceed 12 months.

Exchange students attending district schools on a J-1 Visa as part of a group-sponsored program are not required to pay tuition.
