## **Suspension\*\***

The Board authorizes student suspension for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student, other students or staff members;
4. Willful conduct which damages or injures district property.

Students and parents are given notice of possible discipline actions resulting from student misconduct that may result in suspension in the Student/Parent Handbook made available by the district.

The use of out of school suspension for students in the fifth grade or below, is limited as provided in Board Policy JG.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission and may include a plan for the student to make up school work. No suspension shall extend beyond 10 school days. The district may require a student to attend school during nonschool hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent or guardian or participate in activities directed or sponsored by the district. Students who violate these provisions may be referred to law enforcement officials.

Suspensions may be appealed to the Board.
