General Rules

In addition, the following rules shall apply to community use of District 7 facilities:

1. A Grants Pass School District No. 7 Building/Field Use Request Form must be submitted by the person or group to the school office;
2. All facility/grounds activities will be scheduled under the guidelines and time frames established by the superintendent or designee. The superintendent or designee retains the right to deny anyone further use of district facilities due to security breach, damage to facilities or other improper action. Problems with user groups (damages, etc.) will be documented and may preclude future use;

³The district reserves the right to required reimbursement of estimated janitorial costs for youth-related nonschool activities when such requests require assignment of custodial time outside of their normal working hours such as weekend or evening gym use requests.

3. A certificate of insurance for an amount of not less than \$1 million must be submitted to the school office (with a copy forwarded to the District 7 business office) by any organization wishing to use district facilities for nonschool activities before a Building/Field Use Request Form is approved;
4. Cleaning/Damage deposits and rental fee payments must be submitted before a Building/Field Use Request Form is approved;
5. An appropriate district staff member must be assigned for the requested use. This staff member is responsible for access, indirect supervision and cleaning. Whenever possible, the assigned staff should be employed in the building where the activity is to take place. If district kitchen facilities are used, a district food service employee will be on duty at all times. Decisions relating to custodial, food service or other additional staff hours will be made by the building principal or designee⁴;
6. In general, renting organizations requiring the use of extra equipment such as microphones, overhead projectors, video equipment, etc., will be charged an extra \$10 per item. Tables, chairs and other nontechnical equipment can be supplied at a cost of \$25 per event. Any equipment, supplies or extra services relating to special use facilities including the GPHS PAC Mel Ingram Field and any kitchen/cafeteria use will be “by arrangement” with the district personnel responsible for these facilities as designated in this regulation and the associated costs will be in addition to the basic rental charge. The superintendent or designee may require additional deposits or rental charges for special requests not covered by this administrative regulation;
7. The superintendent or designee may approve nonmonetary contributions (i.e., “in-kind” contributions of services, supplies and/or property) by community organizations in lieu of rental fees on an annual basis. Any agreement will be in writing for a specified period of time;
8. If field conditions are such that continued use would cause excessive damage or endanger the welfare of the participants, the superintendent or designee will determine whether such use should continue and whether alternative fields are available;
9. The building principal or designee may waive the cleaning/damage deposit and/or insurance certificate requirement when the proposed use is limited in nature and represents a minimal risk to the district. Such waivers will be noted on the Building/Field Use Request Form;
10. In limited circumstances, rental fees may be waived by the superintendent or designee when it is determined to be in the best interests of the district. Such waivers (and the reason for the waiver) will be stated on the Building/Field Use Request Form.

⁴Decisions regarding food service staff assignments will be made in conjunction with the food service supervisor. Decisions regarding the GPHS PAC will be made in conjunction with the GPHS PAC Director.
