Public Conduct on District Premises

School sponsored or approved activities are an important part of the school program and offer students the opportunity to participate in a variety of activities not offered during the regular school day. School sponsored or approved activities are provided for students to help build relationships with the school community and increase graduation rates.

Spectators are permitted to attend school sponsored or approved activities only as guests of the school district, and, accordingly as a condition of such permission, they must comply with the school district's rules and policies. Spectators will not be allowed to interfere with the enjoyment of the students participating, other spectators or with the performance of employees and officials supervising the school sponsored or approved activity. Spectators, like the student participants, are expected to display mature behavior and sportsmanship. The failure of spectators to do so is not only disruptive but embarrassing to the students, the school district and the entire community.

To protect the rights of students to participate without fear of interference, and to permit the sponsors and officials of sponsored or approved activities to perform their duties without interference, the following provisions are in effect:

1. Abusive, verbal or physical conduct of spectators will not be tolerated.
2. Verbal or physical conduct of spectators that interferes with the performance of students, officials or sponsors of sponsored or approved activities will not be tolerated.
3. The use of vulgar, or obscene or demeaning expression language will not be tolerated.
4. The use of tobacco, drugs or alcohol (in any form) at any school district-sponsored events is prohibited and may result in immediate exclusion from the event.

If a spectator at a sponsored or approved activity violates the above provisions or otherwise impedes the performance of an activity, the spectator may be removed from the event by the individual in charge of the event. If such misconduct continues, the spectator's privilege of attending school sponsored activities and event may be suspended or permanently revoked.

Administration will develop appropriate procedures to **enforce this policy**, as well as inform the public about the behaviors expected and prohibited at school activities.
