School Building Administration

The Board reaffirms the rights and responsibilities of the building principals for the administration of their various programs within the broad scope of the adopted Board policies and while acting with the approval of the superintendent.

Each principal will be the chief administrator of his/her assigned school and all professional and support staff personnel assigned to the building will be directly responsible to the principal.

Staff members who work in more than one school will be responsible to the principal of the school during the time they are working in that respective building. In supervising the work of such staff members, the principal will work cooperatively with the supervisor or administrator to whom they report.
