

**Harney County  
School District 3**

Code: **EI**  
Adopted: 5/11/99  
Readopted: 5/14/13  
Orig. Code(s): EI

**Risk and Insurance Management**

The district is dedicated to managing risks of the district and does all it can to prevent losses and create a safe working environment. Recognizing that losses will inevitably occur, the district considers no losses acceptable and will make efforts to identify and treat all loss exposures.

The district will implement a comprehensive Risk Management Program.

The program will cover risk identification, risk evaluation and risk control/monitoring.

Activities of the program will include writing policies and procedures, establishing goals, surveying loss exposures, conducting inspections, analyzing job sites and responsibilities, conducting periodic inventories, assigning dollar values to potential losses, developing a claims history, conducting training/in-services, establishing a safety program to include safety rules/practices, accident/incident reporting and investigating, an emergency plan (preparedness plan), first aid and consequences for not following rules.
