Curriculum Development

It is the desire of the Board of the district to insure development of the best possible instructional program for the students of this district.

To facilitate continued development of a high quality program it is important that every available resource be utilized. One of these key resources is the teaching and administrative staff.

It is the desire of this Board that the superintendent regularly provides a means for the appropriate involvement of staff members of this district in the review and development of instructional programs.

The Board recognizes that the specific people to be involved and the type of involvement must vary with the nature of the instructional program or problem being reviewed.

The Board retains the right to revise and adopt all curriculum and courses of study provided to the students of the district, as provided for by statute, rules and state minimum standards.
