Visitors to District Facilities**

It shall be Board policy to encourage parents and citizens to visit the schools throughout the school year.

However, because of the schools' responsibility for the protection of students and the operation of an uninterrupted instructional program, visitors will report to the main office of the building to obtain a visitors pass prior to their visitation.

Any unauthorized person on district property will be reported to the principal or superintendent. The person may be asked to leave. Law enforcement may be called if the situation warrants such measures.

Students will not be permitted to bring visitors to school without prior approval of the principal.

Visitors shall be expected to observe rules for visitors established by the school.
