

**Elementary Sports Program**

In order to assure the highest quality education and stress the importance of academics and citizenship, the Board has adopted the following rules governing participation in extracurricular activities.

1. Students will be present at school and practice the day of and the day before the game. Special arrangements will be made through the administration.
2. To participate in games all detention times must be served. Detentions given on game days can be served the following day.
3. Students will be passing all subjects to participate in athletics.
  - a. Teachers will check and inform students of grades;
  - b. Warning will be given to student prior to student being declared ineligible;
  - c. The coach will need to verify eligibility of players on the day prior to game day;
  - d. Notification will be sent to parents informing them of ineligibility prior to game day.
4. Every participant will have a signed permission slip from parent or guardian to leave class and travel to away games. All other arrangements must be made through the administration.

**Agreement Contract**

By signing this contract we agree to comply to the above stated rules for participation at Crane Elementary School. We also understand that failure to sign the contract will result in ineligibility to participate.
