## District Libraries

The elementary school library is recognized by researchers, teachers, principals, students and parents as a chief contributor to quality instruction. Desirable library services provide opportunities for the development of independence in learning as well as discovery and enrichment of ongoing units of study in the classroom.

The Board will maintain a school library in the district to be directed by a volunteer or other personnel.

The Board intends to provide supplies, books, encyclopedias, dictionaries and periodicals as needed in keeping with state standards.

The library, in addition to containing written materials, may contain audiovisual materials and equipment, computers and computer software.

Library services including curriculum, personnel and inventory shall be reviewed annually.
