Review of Component District Operations

The Board shall provide leadership and direction for the development of a program of periodic review of component school district operations. In so doing, the Board and ESD staff will work cooperatively with component school districts in the review process.

The component school district operations to be reviewed shall include accounting, payroll, printing, transportation, legal services, investments, auditing, insurance, student records and any other operations as agreed upon. Such review shall meet the timelines established by the State Board of Education. The ESD and its component school districts may review such operations and services at any other time, as may be mutually agreed.

The superintendent shall submit plans to component school districts with recommendations for program economies and efficiencies as may be identified.

The results of the review and plans shall be summarized and reported to the State Board of Education as part of the ESD's annual report no later than October 31 of each year.

The superintendent will develop administrative regulations as may be needed to implement this policy including a recommended schedule for future review of component school district operations that meets timelines established by the State Board of Education.
