Helix School Board Goals

Helix School Board's primary responsibility is to establish policies, purposes and programs and procedures which will best produce educational achievement. The Board is charged with accomplishing this while also being responsible for wise management of available resources. The Board must fulfill these responsibilities by functioning primarily as a legislative body which formulates and adopts policy, by selecting an executive officer to implement policy and by evaluating the results. Further, it must carry out its functions openly and seek the involvement of students, staff and the public during its decision-making processes.

In accordance with these principles, the Board, through its operations, will seek to achieve the following goals to:

1. Concentrate the Board's collective effort on policy-making and planning responsibilities;
2. Formulate Board policies that best serve each student's educational interests;
3. Provide the superintendent/principal with sufficient and adequate guidelines for implementing Board policies, formulating and managing the budget.
4. Maintain effective communication with the public and with staff and students to maintain awareness of attitudes, opinions, desires and ideas;
5. Conduct board business openly, soliciting and encouraging broad-base involvement of the public, students and staff in the Board's decision-making processes.
