Line and Staff Relations

The Helix School Board expects the superintendent/principal to establish a clear understanding of working relationships in the school system with all personnel.

Lines of direct authority will be those approved by the Board and shown on district organization charts.

Personnel will be expected to refer matters requiring administrative action to the administrator to whom they are responsible. That administrator will refer such matters to the next higher administrative authority when necessary. Additionally, all personnel are expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

Lines of authority should not restrict the cooperative working relationship of all staff members in developing the best possible school programs and services. The established lines of authority represent direction of authority and responsibility. When the staff is working together, the lines represent avenues for a two-way flow of ideas to improve the program and operations of the school system.
