

Helix School District 1R

Code: **ECB**
Adopted: 1/8/97
Orig. Code(s): None

Buildings and Grounds Maintenance

The superintendent/principal will develop and execute a continuing program of maintenance for all district-owned buildings and grounds. This program will be administered in such a manner as to preserve the district's capital investment and to prevent deterioration due to lack of proper care. The program will include:

1. Planning for buildings and grounds improvements and additions as approved by the Board;
2. An adequate custodial program for all schools;
3. Improvement and maintenance of school grounds and fields;
4. Repairs and painting;
5. Determination and disposal of obsolete equipment.

Staff is charged with the responsibility of caring for and protecting their facilities. The superintendent/principal shall systematically inspect all buildings, equipment, playgrounds and playground apparatus to ensure adequate maintenance. Dangerous or unsafe conditions shall be remedied as soon as possible.

All staff members shall be responsible for the safe use of buildings, grounds and equipment in the classrooms and other areas in which they teach. Staff shall report promptly to the superintendent/principal any defects in building, furniture, playground apparatus or other equipment that may prove injurious.
