### 1. ADMINISTRATIVE RULES

Any individual newly licensed after December 31, 1993, as a teacher, administrator, personnel specialist or school nurse shall be required to undergo a nationwide criminal history records check and fingerprinting.

Individuals applying for reinstatement of a license that has expired for more than three years shall also be required to undergo such checks. Individuals seeking an additional license will not be subject to such checks as a condition of obtaining the license.

Requirements, including applicable fees and the process for the collection and submission of fingerprints, etc., will generally be met by the individual as a part of licensing process and in accordance with rules established by the Teacher Standards and Practices Commission.
