Early Graduation**

Early graduation is defined as graduation at the end of the first semester senior year or at the end of the junior year. All credit requirements must be met by a specified date agreed upon by the student, parent, superintendent/principal and the Board to qualify for early graduation. Requests for early graduation must be on the appropriate form and submitted to the superintendent/principal. This request must be submitted to the superintendent/principal at least two weeks prior to the beginning of the semester in which the student will finish. Teachers will not be expected to make special classes for this reason. The normal curriculum will be followed with the option of off campus experiences.
