Political Figures in District Facilities

It is the policy of the Helix School Board to support the participation of major political figures in a variety of school events. Such events include, but are not limited to, building dedications, awards assemblies, commencement and curricular innovations such as a mock convention.

If such event should occur during a campaign year, the candidate would be expected to refrain from using issues/materials related to that campaign unless this was the expressed reason for inviting the candidate to speak.

Political figures may be allowed to speak to classes or clubs during the school day if, in the judgment of the superintendent/principal, the presentation is a desirable supplement to the instructional program.

All political figures will be expected to adhere to the rules and procedures established for outside resource persons/controversial speakers.
