Suspension of Driving Privileges

The superintendent/principal may make a request to the Department of Transportation for the suspension of a student's driving privilege or the right to apply for driving privileges. If a request is made, the following requirements will be met:

1. The superintendent/principal will meet with the parent or guardian before submitting a request to the Department of Transportation;
2. The request to the Department of Transportation will be in writing;
3. The student involved is at least 15 year of age;
4. The student has been expelled for bringing a weapon to school; or
5. The student has been suspended or expelled at least twice for any of the following reasons:
 - a. Assaulting or menacing a school employee or another student;
 - b. Willful damage or injury to district property;
 - c. Use of threats, intimidation, harassment or coercion against a school employee or another student.
6. The request to suspend a student's driving privilege or the right to apply for a driving privilege shall not be for more than one year unless the superintendent/principal is filing a second written request. A second request may state suspension of privileges until the students reaches 21 years of age;
7. The student has a right to appeal the superintendent/principal's decision through the District's suspension/expulsion due process procedure.

If the driving privileges are suspended the student may apply to the Department of Transportation for a hardship permit.
