Public Relations

The Helix School District #1-R feels that a sound and constructive relationship between the school and community is essential to meet the community's need. Fulfillment of this policy will be the responsibility of the superintendent/principal for providing guidance to staff members to improve their community interaction skills, developing strategies for listening to public and staff concerns and actively involving citizens in the decision-making process of the district. School staff members, community leaders, citizens, and others will be provided an opportunity to discuss school issues and contribute to the goals and operations of the district.
