## Adoption and Revision of Policies

Board policies will be subject to alteration, addition or deletion only upon majority vote of the Board at any regular or special meeting in which all members have been notified in writing of the proposed alteration, addition or deletion at least 24 hours in advance.

A new Board policy will be adopted only upon majority vote of the Board after the policy has been read at a prior meeting.

When, in the best interest of the district, immediate adoption of a proposed policy is necessary, the Board may adopt such policy at the first meeting in which it is presented.

The formal adoption of policies will be recorded in the Board minutes. Only those written statements so adopted and so recorded will be regarded as official Board policy.

Any formal motion or action of the Board which, as a revision of existing policy, creates, amends or supplements policy will be called to the attention of the Board when reviewing the minutes for formal adoption.

When additions, deletions or amendments are made to Board policy, the addition, deletion or amendment will carry the adoption date and the corrected copy will be published at the earliest opportunity.

The operation of any individual policy, section or sections of policies not established by law or specifically listed in the current collective bargaining agreement may be temporarily suspended by a majority vote of the Board at a regular or special meeting.

The policy manual will be reviewed regularly to keep it current.
