

Hermiston School District 8R

Code: **EB**
Adopted: 7/1/92
Revised/Readopted: 4/5/05
Orig. Code(s): EB, JHF

Safety Program

Safe buildings, grounds and equipment shall be maintained free of health and safety hazards and according to codes, standards and laws established by the state.

School safety is a planned, cooperative effort led by the building principal and involving faculty, students and classified personnel. Buildings will be planned, constructed, equipped and maintained in accordance with appropriate local, state and federal safety regulations.

Buildings will be provided with alarm systems, fire extinguishers and other safety devices required by state and federal laws and regulations.

Supervision and vigilance by all concerned are important parts of a health and safety program. The superintendent will develop and implement a safety program which will include, but not be limited to, compliance with and enforcement of all state and federal laws, rules and regulations.
