

# Hermiston School District 8R

Code: **IFA**  
Adopted: 10/02/07

## **Instructional Research/Pilot Projects**

The district has the responsibility to engage in long-range educational planning in order to advise the Board regarding policy and effective decision making. The district is committed to the position that planning must be supported by appropriate instructional research and evaluation. A major purpose of such research is to contribute to the quality of educational programming and advance the general welfare of students.

The superintendent will establish formal procedures through which district personnel can submit educational research proposals and/or pilot projects for approval. Any proposal/project that is intended to last more than one calendar year must be approved by the Board.
