

## **Drug, Alcohol and Tobacco Prevention, Health Education\*\***

Students have a right to attend school in an environment conducive to learning. Since student drug, alcohol and tobacco use is illegal, harmful and interferes with both effective learning and the healthy development of students, the school has a fundamental legal and ethical obligation to prevent unlawful drug, alcohol and tobacco use and to maintain a drug-free educational environment.

After consulting with parents, teachers, school administrators, local community agencies and persons from the drug, alcohol or health service community who are knowledgeable of the latest research information, the Board will adopt a written plan for a drug, alcohol and tobacco prevention and intervention program.

Any staff member who has reason to suspect a student is in possession of, or under the influence of unlawful drugs, alcohol, other intoxicants or tobacco on district property, on a school bus or while participating in any district-sponsored activity, whether on district property or at sites off district property, will report the information to an administrator or his/her designated representative.

The administrator or designee will:

1. Call the police if deemed appropriate;
2. Call the parents for a meeting;
3. Discuss the incident with student, parents if available and police if contacted;
4. Impose the penalty for violations using due process procedures;
5. Tell parents about resources which offer treatment or assistance for young people suffering from drug-, alcohol- or tobacco-related problems.

Students possessing, using and/or selling unlawful drugs, including drug paraphernalia, alcohol and tobacco on district property, in district vehicles, at district-sponsored activities on or off district grounds shall be subject to discipline up to and including expulsion. Students may also be referred to law enforcement officials.

The district's Drug, Alcohol and Tobacco Prevention, Health Education policy, related policies, rules and procedures will be reviewed annually and updated as needed.
